GREEN BLUFF LEADER 2nd x — A great, stretchy, tall bull we selected from the W. K. Legge herd of Wilmar, Saskatchewan, to head our herd four years ago. He is by "George the Giant," the sire of many champions including our Nell heifer, reserve grand champion polled female in Chicago. We have not sold many of his daughters, although two are on offer in this sale. Many are going into our herd. They grow out bigger than anything we have had for some time and as heifers are calving unassisted. Notice this bull's feet; they have never been trimmed and look as though he was ready to show. Truly a big, modern bull. Leader goes to pasture in the spring weighing in excess of 1900 lbs. and not real fat.

61—BULL MELVARY LEADER 26C x3530-258**Inness**

Tattoo RE AGVT26C

MELVARY LEADER 26C x — Every spring we purchase a young bull to use through our peak breeding season and then sell him before winter. This is the case with Melvary Leader. He has size for age and quality. Quite a little thickness, good bone, and length, the things we still need in a herd bull today.

Be a part of the excitement that is the Tennessee National. Last year 500 people were on the seats when the sale opened in the comfortable sale pavilion at the Ellington Agricultural Center.

The Ellington Agricultural Center is located 3 miles south of Nashville on U.S. 31, then follow the signs to the facility.

Tennessee National

SHOW and SALE

8:00 A.M.

12:00 Noon

SATURDAY, NOVEMBER 10, 1973

Nashville, Tennessee

— 60 LOTS —

26 BULLS

34 FEMALES

GENERAL INFORMATION

TIME — The show will start promptly at 8:00 a.m., Saturday, November 10, 1973. The sale will start promptly at 12:00 Noon, Saturday.

LOCATION — Tennessee National Sale will be held Saturday, November 10, 1973, at the Ellington Agricultural Center, Nashville, Tennessee.

SALE HEADQUARTERS — Sheraton South Motor Inn — 737 Harding Place, Nashville, Tenn. Ph. 615-834-5000. You may make your reservation direct, or contact the sale manager and he will be happy to do it for you. The banquet Friday evening.

TRANSPORTATION — Nashville is located in an area that is convenient to North, South, East and West. It is served by major airlines and several railroads, in addition to a network of Interstate highways.

TERMS — Terms of the sale are cash or check to the clerk at the conclusion of the auction unless other arrangements are made in advance with the consignor from whom you purchase. Be sure to give the clerk complete information on transferring pedigrees and shipment of cattle. All stock will be at the buyer's risk as soon as bid off although naturally every precaution for the safety and well being of the animals will be exercised.

INSURANCE — Will be available at the sale.

HEALTH — All cattle will be sold according to the health laws of Tennessee. Interstate health charts will be provided but all buyers should make themselves aware of any deviations from Tennessee law that might apply to entry to their states. All cattle will have a test for brucellosis within 30 days of the sale unless they are officially calfhood vaccinated and under 30 months of age or unless they come from a brucellosis certified herd. All cattle will have passed a test for tuberculosis within 30 days of the sale unless they come from a federally accredited herd.

GUARANTEE — The cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n. Where footnotes appear they were furnished by the consignor or written from information supplied by him. The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager, the auctioneer, nor the clerks of the sale assume any liability of any kind. The sale manager was retained for specific promotional and clerical tasks and assumes no liability for fulfillment of guarantees, errors in health charts, condition of the premises or handling of the cattle. Announcements made on sale day shall supercede any written material.

LIABILITY — All persons attend this sale at their own risk. No one connected with this sale as an employee, consignor, supplier of any goods or services accept any liability for accidents that may occur. Every effort will be made to provide for the safety and comfort of those attending.

AUCTIONEER — Don Smock, Whiteland, Ind.

REPRESENTATIVES — C. D. Swaffar, American Shorthorn Ass'n, 13400 Hascall St., Omaha, Nebraska. Tel: (402) 393-7200.

The banquet Friday evening, Nov. 9, is annually one of the highlights of the Tennessee National. Shown above is Jack Ragsdale, Prospect, Ky., past president of the American Shorthorn Association, addressing the capacity banquet crowd. Plan to be a part of this activity this year.

SALE MANAGER'S COMMENTS

Dear Fellow Shorthorn and Polled Shorthorn Breeders:

I want to take this opportunity to invite you to attend the best consignment sale in the country on November 10, the **TENNESSEE NATIONAL SHOW and SALE**.

As you know, we will have cattle in this sale from the very top herds in Illinois, Indiana, Kentucky, Ohio and Tennessee, and each year they consign some outstanding bulls and females to this sale.

This year we have many show winners and Grand Champions of state fairs, and you will find females selling in this sale bred to some of the great bulls of the breed.

As a Shorthorn breeder you should make plans to attend this sale if you are looking for a top herd sire or foundation females that you seldom have the opportunity to buy.

Looking forward to seeing you on November 10, and we would be pleased to have you attend the banquet on Friday night, Nov. 9.

Sincerely,

Don L. Smock, Sale Manager

Four Dees Research x — Lot 1

LOT 1—BULL

Tommy Garriott

FOUR DEES RESEARCH x3411-880

FOUR DEES RESEARCH x— The popular Research x was bred by D. Z. Kessi at Sweet Home Ranch in Oregon and was acquired at the top bull price in the famous Four Dees dispersion as a yearling. The dam of Research sold in this sale and was the top female at \$3,300. Cattlemen who visit us admire his correctness, size and substance, and his consistence in producing big, long polled calves with good feet and legs.

The first daughter offered by Four Dees Research x was reserve grand champion female in the fall, 1972 Indiana State sale as a junior heifer calf. A son and daughter of Research x were sold in the 1973 spring Cookeville show and sale; both won first in their classes. His semen is rated excellent, and we have over 400 ampules of semen on storage. After much consideration and due to the size of our operation, we offer someone a great opportunity to share with us our good fortune. $\frac{3}{4}$ interest and possession sells.

LOT 2—BULL**Curtis Farm****BREEZY POINT DIRECTOR x3494-015**

HCS BIG BEN SPECIAL C32 x—This bull speaks well for himself. We believe that he is the kind of bull that will keep us in the cattle business for many years. He is long, clean, correct, and loaded with ample muscling. We have some cows bred to him. If you are looking for a bull that has size bred in to him, don't let this bull pass you by. He has performance bred in, and we recommend him with confidence.

KENMAR LEADER 22nd — When we picked out Kenmar Minnie 27C, International Grand Champion, we also selected a half-sister, Kenmar Mina 14B, from the bred two-year old heifers at Harvey Fulton's. Before we got her home, she had Kenmar Leader 22nd at her side. He is tall, long, but also has that all-important natural muscle. His mother was one of the very biggest heifers in her group. He gained over 3.5 lbs per day on test this winter and had a 205-day weight of 1211. He was Grand Champion of the 1973 Indiana State Fair. We think you will like him.

WAUKARU RANSOM TANG — is a son of the famous Kenmar Ransom 32Z "Tank". Tang is the first calf from Thomas Lilac 72B, a Leader 6th daughter that was a member of the Champion Get-of-Sire at the 1971 Indiana State Fair. His sire and dam are both great individuals, and he is just as promising. He possesses scale, trimness, length and soundness. He was Grand Champion of the Indiana State Fair Polled Gold Medal show, a "performance show", had a 205-day ratio of 120 and gained over 4.0 lbs. per day for two weigh periods on test this winter. If you are interested in a performance bull backed by performance parents, stop and look at him.

SUTHERLAND ROYAL DUKE — Many considered this to be the best son of Royal Duke x, dropped at Sutherland. You will note he's out of a Coronet Max Leader dam and one of the great producers. Should be 100% dehorner.

Please study this catalog carefully . . . if you are in need of a stock bull, this is the place where they are selling. They have been approved by leading judges throughout the land in this nation's strongest shows. If you are unable to attend the sale, please feel free to contact any of the personnel listed on page two of this catalog. They are all qualified to handle your business properly in strictest confidence.

\$500 is being awarded the champion female of this sale . . .
\$250 is being awarded to the reserve champion. 25 outstanding females have been consigned. Many have been champions at the strongest shows, others have won their classes and all are great brood cow prospects. This sale offers the established breeder or the beginner, an opportunity to select from the greatest offering of Shorthorn and Polled Shorthorn cattle that will be sold this fall.

TYNYWTRA'S MARIGOLD 2nd x— We purchased this good female from J. & J. Humphreys at last year's roundup sale and fully intended to keep her in the herd. She is consigned only because the heifer we planned to enter broke service. She is bred to our new herd sire, Browndale Leader x (Stretch) and is due to calve in April. This new sire was purchased at the 1973 Polled Congress. He weighed 1715 at two years and stands 55 inches tall with tremendous length. This combination could easily produce that new herd sire you have been looking for. Calfhood vaccinated.

NOBLE CORONITA 3rd x—A long, meaty female from our most dependable cow family. Her sire Four Dees Viking x, by Four Dees Command 50th x. This female sells bred since August to Bill Brook Ransom 212 x, a bull we purchased in last year's Bob-Lee sale and the first son of "Tank" to sell at auction. This young sire was calf champion at Ohio State Fair and reserve calf champion at Harrisburg. Calfhood vaccinated.

**BULL WEIGHING**

You will want to be in attendance Friday, November 9, at 3:30 p.m., for the bull weighing. This program was instituted recently and proved to be very popular with both consignors and buyers. Each bull in the sale is weighed. The average weight for each class is announced in the show on Saturday and the weights are available to buyers on request.

SUTHERLAND ROSEWOOD 597 — A very correct daughter of our Penn's Leader. These heifers are truly outstanding and due to the untimely death of Penn's Leader, his daughters will never be offered in great numbers. One of his first daughters was grand champion at the 1973 Indiana State Fair and calf champion at Kentucky. If the buyer desires, we will be glad to breed this heifer to the bull of your choice.

HCS KODIAK SYLVIA C43 x—This could be your dream heifer for the 1974 junior shows. She is too young to sell, but we wanted to offer a top prospect for next year's shows. She has been grown out naturally and never fitted for a show. Her sire is big, clean, and correct, and we think he is great! We recommend this calf for a top show helper and an outstanding brood cow. Sells open.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
